Apex OmniSource, LLC is a CVE/ SBA Certified Service-Disabled Veteran-Owned Small Business (SDVOSB) and is a Distributor of Meditizer – the most advanced, patented, long lasting and revolutionary alcohol-free sanitizing and disinfecting solution in the market today.

NAICS Codes Served: 325611, 325612, 424690, 424210

Apex OmniSource, LLC accepts Purchase Orders from valid agencies | Email: po@apexomnisource.com

Apex OmniSource, LLC (SDVOSB) has tremendous past performance in flawlessly and accurately delivering against many awarded contracts from Federal Government Agencies, such as: The Department of Veterans Affairs, the NIH, the IHS, the Federal Bureau of Prisons, as well as many State and Municipal Government Agencies, Unified School Districts and Universities

A revolutionary bacteria and pathogen defense system, **Meditizer provides antibacterial protection against pathogens in a one-step application that is alcohol free.**

Meditizer kills COVID-19 and other pathogens on contact and uses a unique, proprietary and patented mode of action that penetrates the epidermis to provide continuous protection. Newest protection.

The **copper and magnesium platelets** used are **safe for humans**. These platelets disable the pathogens by destroying their capsid envelope and disrupting their genetic code.

US patent number 7,892,447
 Other patents pending "Power by Aqua"
 NDC # 77238-231-24
